

This certifies that in 2012:

Mohawk Paper

agreed to cover:

10,000,000 kWh

of traditional electricity consumption with renewable sources in the form of
CSG CleanBuild™ Renewable Energy Certificates (RECs).

100% Renewable

GREEN POWER FOR A SUSTAINABLE FUTURE

Your purchase of renewable certificates is supporting renewable electricity production. You will continue to receive a separate electricity bill from your utility. For every unit of renewable electricity generated, an equivalent amount of renewable certificates are produced. **This purchase builds a market for renewable electricity, but does not directly offset carbon dioxide emissions.**
